

Healthcare Consulting and Training Cost Guide

Purpose

This guide is designed to give you an idea of how much money different consulting services can cost. Every client is different, however.

Once we are more familiar with your situation, we can provide you with a formal proposal.

Service	Fee
License our front-line training materials to use on your own.	\$50 per student guide
Have us conduct training with our front-line training materials.	Between \$3,250 and \$5,000 per day depending on the number of participants in the course
Conduct an employee-satisfaction survey.	\$1,000
Consulting days.	\$5,000 per day
Develop curriculum specifically for you.	Between \$3000 and \$12,000 per project
Leadership development training.	Between \$3,250 and \$5,000 per day depending on the content and number of participants in the course.
